A Magazine for Home Safety Program Planners.

1958 INDEX

Vol. 15, Nos. 1-6 (Jan.-June)
Vol. 16, Nos. 1-2 (Fall, Winter)

NATIONAL SAFETY COUNCIL

425 N. Michigan Ave. Chicago 11, Ill.

HOME SAFETY REVIEW

Vol. 15, Nos. 1-6 (Jan.-June). 1958
Vol. 16, Nos. 1-2 (Fall, Winter). 1958

An author and subject heading index

Compiled by the Library of the National Safety Council

Abraham, Willard
Choose toys that teach. Fall, 10.

Accident costs, see Economics of safety.

Accident statistics
Accidents among the aged. Mar., 22.
Accidents that happened during the holiday season 1957. Fall, 8.
Childhood injuries in Greater New Bedford, Mass. (Rice and others). May, 27.
Children unattended (fire deaths). May, 30.
Critiques of injury studies. May, 6.
Facts, figures and trends. Fall, 5; Winter, 26.
Fatal injuries in sports. Apr., 15.
The '57 accident story. Apr., 30.
Geographic variation in fatal accidents. Feb., 19.
Headlines tell grim neglect. Winter, 10.
Home accident data from Metropolitan Life Insurance Company (a critique of this study). (Quint). May, 6.
Home falls accidents, San Francisco emergency hospitals, June 1954-May 1955. Winter, 25.
Industry's stake and contribution (Jones). June, 20.
Living the fuller life (Mersdorf). Winter, 19.
Mr. Fixit needs training (Stumpf). Winter, 5.
Nonfatal accidents among youngsters. Jan., 20.
Off the job accidents hurt industry, too (Ridinger). Apr., 19.
Philadelphia gets started (Tiboni). Apr., 22.
Seasonal trends in principal types of fatal home accidents (from the Home desk). (Fansler). Winter, 31.
Shoot for safety. Fall, 24.
Statistics on home deaths. Fall, 3.
Study reveals causes of housework accidents. Winter, 11.
Study reveals the whys and hows of stairway falls (Miller). Winter, 23.
Task force--accident control (Jacobziner). Feb., 21.
See also Fire protection; Poisons and poisoning.

Animals and insects
Are dog bites a home safety problem? (Fansler). June, 10.
Black widow spiders may be dangerous. Feb., 24.
Bomb those wasps (Readers tell us). Winter, 30.

Artificial respiration
Answering the call (shocked dog resuscitated). May, 13.
Red Cross recommends aresuscitation method. Apr., 6.

Associations, organizations
Action--What ACTION is. June, 4.
American Gas Association--New gas range ruling (Safety clips). Winter, 22.
American National Red Cross--The big business of volunteer service (Still). Winter, 29.
Drowning...what's being done about it? Apr., 16.
Girl Scouts of America--The big business of volunteer service (Davidow). Winter, 4.
International Association of Fire Chiefs--Let's stop these fires! (Bugbee). Fall, 16.
They're preventing fires, too! (Malmquist). Feb., 12.
Junior Fire Marshals--Junior Fire Marshals are on the loose! Fall, 20.
National Conference of Christians and Jews--The big business of volunteer service (Johnson). Winter, 3.
National Education Association--Let's stop these fires! (Bugbee). Fall, 16.
National Fire Protection Association--Let's stop these fires! (Bugbee). Fall, 16.
National Foundation for Infantile Paralysis--The big business of volunteer service (Fuerst). Winter, 3.
National Rifle Association--Shoot for safety. Fall, 25.
See also Boy Scouts; Community Safety Councils; Four-H clubs; GEMS; National Safety Council.

Baby sitting
Occupation: baby sitter (Safety clips). Fall, 14.
Some baby sitting projects. May, 16.

Bailey, F. T., Jr.
Home sweet home. Feb., 18.

Bathrooms
The bathroom. Jan., 25.
Living the fuller life (Mersdorf) (rehabilitation equipment). Winter, 19.
What you must know about medicines you use (Brecher) (includes storage). June, 29.

Bedrooms
Baby needs protection--and freedom (Garrison). Feb., 27.
Too wide--but not wide enough (baby crib). Apr., 11.

Benedict, Donald G.
Safety is an applied science (guest editorial). May, 3.

Berk, Thomas J.
Home accidents--the economic story. Jan., 6.

Bissell, Dwight M.
Home safety in San Jose. Mar., 10.

Boy Scouts
Firemen are their buddies (Howard). Fall, 22.
For Scouts to use, National Safety Council publications. Jan., 24; (correction, Feb., 30).
Scouts do forty million good turns (Hoisington). Fall, 22.

Brecher, Ruth and Edward
What you must know about medicines you use. June, 29.

Bredahl, A. Carl
Electricity--servant or master? Mar., 3.

Brierley, Mrs.
Uxbridge "safest home" contest. May, 10.

Bugbee, Percy
Let's stop these fires! Fall, 16.

Building codes
Community fire prevention planning (Fowler). Apr., 8.
Rockford's housing hygiene code (Gunderson). June, 6.

Burns
Accidents that happened during the holiday season 1957. Fall, 8.
Calculated risks in home poisoning (Conley). Feb., 25.
Fibers--fabrics--fire (Christian). Mar., 8.
Most fatal falls and burns are inside house. Feb., 31.
Seasonal trends in principal types of fatal home accidents (from the Home desk). (Fansler). Winter, 31.

Calarco, Antonino
Safety at night school. June, 12.

Campaigns, see Community planning; Community Safety Council activities; Health departments; Industrial approaches; Programs.

Carbon tetrachloride - Toxicity
Carbon tetrachloride, what the American Standard acceptable concentration means to you (Oettingen). Apr., 29.

Chapman, A. L.
Helping the housewife. Mar., 19.

Chemical labeling
A.M.A. drafts law to cut deaths. Mar., 30.
Indiana law will aid poison victims (Harman). Mar., 30.

Chemicals
Calculated risks in home poisoning (Conley). Feb., 25.
Carbon tetrachloride, what the American Standard acceptable concentration means to you (Oettingen). Apr., 29.

Child safety
Accidents that happened during the holiday season 1957. Fall, 8.
Attempt revival of junior safety councils in schools in Rochester, N. Y. Jan., 32.
Baby needs protection--and freedom (Garrison). Feb., 27.
Child safety on TV. Jan., 12.
Child safety--whose responsibility? (Kenyon). Apr., 24.
Childhood injuries in Greater New Bedford, Mass. (Rice, and others). May, 27.

Child safety (continued)
Children unattended (fire deaths). May, 30.
C'mon kids--let's play the summer "safety game"! April, 12.
Conducts home fire hazards exhibit for students. Fall, 17.
Encourage safe play (Garrison). Apr., 13.
Headlines tell grim neglect. Winter, 10.
Here's how you can share safety at Christmas. Fall, 6.
In Kansas City. June, 22.
Junior Fire Marshals are on the loose! Fall, 20.
Mr. Fixit needs training (Stumpf). Winter, 5.
National Safety Council opposes amateur rocket experimentation. Apr., 7.
Occupation: baby sitter (Safety clips). Fall, 14.
Plastic bags endanger babies (Safety clips). Winter, 22.
Refinery conducts safety essay contest for children. June, 32.
Ro. S. P. A.'s program includes Timothy (Naish). Jan., 16.
Safe areas for play (Garrison). Mar., 26.
Shoot for safety. Fall, 26.
Some baby sitting projects. May, 16.
Task force--accident control (Jacobziner). Feb., 21.
To stop child falls (from windows). Winter, 31.
Tricks or treats without tragedy. Fall, 21.
Who is responsible? Feb., 15.
See also Boy Scouts; Poison and poisoning; Water safety.

Christian, Arthur H.
Fibers--fabrics--fire. Mar., 7.

Christmas
Accidents that happened during the holiday season 1957. Fall, 8.
F Y I (for your information, reference materials for a Christmas holiday safety campaign). Fall, 13.
Here's how you can share safety at Christmas. Fall, 6.
How they did it in ... (1957 holiday activities). Fall, 9.
Letter from Santa (on safety at Christmas). Fall, 10.
Representing the yuletide spirit...your tree. Fall, 12.

Christmas trees
Here's how you can share safety at Christmas. Fall, 30.
Representing the yuletide spirit...your tree. Fall, 12.

Civil defense
"Handbook for emergencies" to be distributed by Scouts Oct. 11, 1958. Fall, 29.

Clothing
Asbestos gloves. May, 13.
Fibers--fabrics--fire (Christian). Mar., 7.
Shoe-fitting fluoroscope machines banned. Feb., 30.
Study reveals the whys and hows of stairway falls(Miller). Winter, 24.

Communication
The big business of volunteer services (problems discussed by four people). Winter, 3.

Community planning
ACTION urban renewal Evaluator. June, 5.
Community blight and you (Leech). June, 9.

Community planning (continued)
Community fire prevention planning (Fowler). Apr., 8.
Rockford's housing hygiene code (Gunderson). June, 6.
Urban renewal (O'Neil). June, 3.
What ACTION is. June, 4.

Community safety council activities
Attempt revival of junior safety councils in schools in Rochester, New York. Jan., 32.
A concentration of effort (home safety week in Kansas City). Mar., 13.
Directly to the housewife (Williams) (ladies safety council of Texas & Pacific Railway). May, 14.
How they did it in... (1957 holiday activities). Fall, 9.
Ideas that worked. Winter, 12.
In Kansas City (Mo.) (photograph spread). June, 22.
A valentine (Salt Lake City council distributes item). Jan., 26.

Conferences and courses
Coming events. Fall, 4.
On the calendar. Jan., 30; Feb., 9; Apr., 7; May, 31.
See also National Safety Council - Congress; Training.

Conley, Bernard E.
Calculated risks in home poisoning. Feb., 25.

Conroy, Frank J.
No home should be without one. May, 18.

Contests
Hazard hunts in the kitchen. May, 9, 20.
Ideas that worked. Winter, 12.
In Kansas City--Operation safe home. June, 22.
A program idea (cleanup campaign contest). Feb., 31.
They're livewires, these 4-H members! Feb., 5.
Uxbridge "safest home" contest (Brierley). May, 10.

Cornelius, Jack H.
Consumer education and protection. Mar., 4.

Davidow, Leonard (Mrs.)
The big business of volunteer service. Winter, 4.

DeVine, M. Frances
Flexibility and feedback, programming for a multilocation operation. Apr., 26.

Do it yourself
Mr. Fixit needs training (Stumpf). Winter, 5.
Un-baffle handy housewives. Winter, 9.

Dogs
Answering the call (shocked dog resuscitated). May, 13.
Are dog bites a home safety problem (Fansler). June, 10.

Drugs and medications
Calculated risks in home poisoning (Conley). Feb., 25.
What you must know about medicines you use (Brecher). June, 29.

Dykstra, Philip
Health departments participate, a report about the 1956 home safety inventory. Jan., 22.
How good a job are we doing? Apr., 3.

Economics of safety
Calculated risks in home poisoning (Conley). Feb., 26.
Home accidents--the economic story (Berk). Jan., 6.
Industry's stake and contribution in home accident prevention (Jones). June, 20.
What price accidents? Mar., 28.

Electrical safety
Accidents that happened during the holiday season 1957. Fall, 8.
Answering the call (shocked dog resuscitated). May, 13.
Electricity--servant or master? (Bredahl). Mar., 3.
Ideas that worked. Winter, 13.
Television sets need grounding, too. Apr., 31.
Un-baffle handy housewives. Winter, 9.
Using work-savers safely (Minute safety messages). Feb., 32.

Elderly people
Accidents among the aged. Mar., 22.
Calculated risks in home poisoning (Conley). Feb., 26.
Getting on safely. Fall, 31.
Living the fuller life (Mersdorf). Winter, 19.
Nursing home fires. June, 15.
Operation neighbor--neighborhood. Fall, 18.

Esmay, Merle L. and Joseph A. Miller
Study reveals the whys and hows of stairway falls. Winter, 23.

Exhibits
British home safety exhibit. Feb., 14.
A concentration of effort. Mar., 13.
Conducts home fire hazards exhibit for students. Fall, 17.
Exhibits tell the story (photo spread). June, 16.
Here's how you can share safety at Christmas. Fall, 7.
In Kansas City (photo spread). June, 22.
Traffic safety exhibit at Electromet plant. May, 20.

Fabrics - Fire facts
Asbestos gloves. May, 13.
Fibers--fabrics--fire (Christian). Mar., 7.

Falls
The Bible and falls. May, 25.
Cookie box sets house afire (So help me, it's the truth). May, 32.
Fall hazards can throw you. Mar., 32.

Falls (continued)
Falling icicles. Winter, 10.
Geographic variation in fatal accidents. Feb., 20.
Home falls accidents, San Francisco emergency hospitals, June 1954-May 1955. Winter, 25.
I learned the hard way (Sommers). June, 21.
Living the fuller life (Mersdorf). Winter, 19.
Most fatal falls and burns are inside house. Feb., 31.
Seasonal trends in principal types of fatal home accidents (from the Home desk) (Fansler). Winter, 31.
Study reveals causes of housework accidents. Winter, 11.
Study reveals the whys and hows of stairway falls (Miller and Esmay). Winter, 23.
To stop child falls (Readers tell us). Winter, 31.

Family safety committees
No home should be without one (Conroy). May, 18.

Fansler, Thomas
Are dog bites a home safety problem? June, 10.
From the Home desk. Fall, 4.
Seasonal trends in principal types of fatal home accidents (from the Home desk). Winter, 31.
What about measurement? Mar., 24.

Farm safety
Off the job accidents hurt industry, too (Ridinger). Apr., 20.
They're Livewires, these 4-H members! Feb., 5.
Three surveys of home and farm injuries in Georgia (a critique of this study). May, 7.

Films
F Y I (For your information, references materials for a Christmas holiday safety campaign). Fall, 30.
Shoot for safety (references on gun safety). Fall, 27.
A true safety service (Safety clips). Winter, 22.
Visual aids for classes or meetings. Winter, 8.

Fire protection
Accidents that happened during the holiday season 1957. Fall, 8.
Children unattended. May, 30.
Citizens visit fire stations. Fall, 20.
Community fire prevention planning (Fowler). Apr., 8.
Conducts home fire hazards exhibit for students. Fall, 17.
Fibers--fabrics--fire (Christian). Mar., 7.
Firemen are their buddies (Howard). Fall, 22.
Fires in the U.S. resulting from known causes for the decade Jan. 1, 1946-Dec., 31, 1955. Mar., 6.
Junior Fire Marshals are on the loose! Fall, 20.
Know your A B C's on fires (Safety clips). Winter, 22.
Let's stop these fires! (Bugbee). Fall, 16.
No "fishy" story (Readers tell us). Winter, 30.
Nursing home fires. June, 15.
Observe National Fire Prevention Week. Fall, 16.
On the job training pays off, women trained in fire fighting. May, 11.

Fire protection (continued)
Operation neighbor--neighborhood. Fall, 18.
Representing the yuletide spirit...your tree. Fall, 12.
Seasonal trends in principal types of fatal home accidents (from the Home desk). (Fansler). Winter, 31.
Study reveals causes of housework accidents. Winter, 11.
Telephone and tell-a-woman (Safety clips). Winter, 22.
They're preventing fires, too! (Malmquist). Feb., 12.

Firearms
Club trains adult leaders for gun safety instructors (Inman). Fall, 27.
Seasonal trends in principal types of fatal home accidents (from the Home desk). (Fansler). Winter, 31.
Shoot for safety. Fall, 25.
Study reveals causes of housework accidents. Winter, 11.

First aid
Antidote kits given to Michigan police. Apr., 31.
Encourage safe play (Garrison). Apr., 13.
Fashions least becoming (excerpts from a script). Winter, 28.
"Handbook for emergencies" (Scout distribution). Fall, 29.
No home should be without one (Conroy) (family safety committee members learn first aid). May, 20.
Nose bleed cures from India (Readers tell us). Winter, 30.
Red Cross recommends a resuscitation method. Apr., 6.

Flameproofing fabrics - Theories of
Fibers--fabrics--fire (Christian). Mar., 9.

Flammable fabrics act.
Fibers--fabrics--fire (Christian). Mar., 8.

Floors
Study reveals the whys and hows of stairway falls (Miller). Winter, 24.

Fluoroscope shoe fitting
Shoe-fitting fluoroscope machines banned. Feb., 30.

Foreign countries
British home safety exhibit. Feb., 14.
Ro. S. P. A.'s program includes Timothy (Naish). Jan., 16.
Uxbridge "safest home" contest (Brierley). May, 10.

4-H clubs
Ideas that worked. Winter, 12.
They're Livewires, these 4-H members! Feb., 5.

Fowler, E. W.
Community fire prevention planning. Apr., 8.

Frese, Gertrude
Selling safety to women. May, 22.

Fuerst, Beatrice Wright
The big business of volunteer service. Winter, 3.

Fund raising
The big business of volunteer service, (problems discussed by four people). Winter, 3.

Games
C'mon kids--let's play the summer "safety game"! Apr., 12.
Play the numbers game ... (Safety clips). Fall, 14.

Gardening
Gardening (projects for summertime safety). June, 32.

Garrison, Ethel
Baby needs protection--and freedom. Feb., 27.
Encourage safe play. Apr., 13.
A plea for child safety. Jan., 18.
Safe areas for play. Mar., 26.

Gas
Consumer education and protection (Cornelius). Mar., 4.
Headlines tell grim neglect. Winter, 10.
New gas range ruling (Safety clips). Winter, 22.
Olfactory impairment may cause death. Mar., 29.
Seasonal trends in principal types of fatal home accidents (from the Home desk). (Fansler). Winter, 31.

GEMS (Good Emergency Mother Substitutes)
Some baby sitting projects. May, 16.

Geographic variations
Geographic variation in fatal accidents. Feb., 19.

Goddard, James L.
A three-fold attack. Feb., 6.

Gunderson, N. O.
Rockford's housing hygiene code. June, 6.

Halloween
Tricks or treats without tragedy. Fall, 21.

Hamburger, Carl H.
Checklists for hazard-free homes. Winter, 14.

Handicapped persons
Living the fuller life (Mersdorf). Winter, 19.
New use for old pipe (Wilson) (handrails installed in home). May, 12.
Olfactory impairment may cause death. Mar., 29.

Harman, Dale
Indiana law will aid poison victims. Mar., 30.

Health departments
Child safety--whose responsibility? (Kenyon). Apr., 24.

Health departments (continued)
Community blight and you (Leech). June, 9.
County health department aids industry ... (Safety Clips). Fall, 14.
Critiques of injury studies. May, 6.
Erie county covers the ground. Jan., 11.
Health departments participate, a report about the 1956 home safety inventory (Dykstra). Jan., 22.
Home safety in San Jose (Bissell). Mar., 10.
How can nonofficial health agencies help (Peterson). June, 24.
Ideas that worked. Winter, 12.
Mayor Wagner talks on home safety (Safety clips). Fall, 14.
Philadelphia gets started (Tiboni). Apr., 22.
Task force--accident control (Jacobziner). Feb., 21.
Water safety, a community undertaking (Judge). Apr., 4.

Heaters
Headlines tell grim neglect. Winter, 10.

Hemphill, F. M.
4 requisites of research. May, 4.

Hoffmann, R. G. and others.
A review of hospitalized injury patients (a critique of this study). May, 6.

Hoisington, E. E.
Scouts do forty million good turns. Fall, 22.

Hospitals
Home falls accidents, San Francisco emergency hospitals, June 1954-May 1955. Winter, 25.
Interim report on the hospital survey of nonfatal home accidents in selected counties of Maryland (a critique of this study) (Maryland State Department of Health). May, 8.
Nonfatal accidents among youngsters (table on average length of hospital stay by cause of injury). Jan., 21.
Nursing home fires. June, 15.
A review of hospitalized injury patients (a critique of this study) (Lewis). May, 6.
What price accidents? Mar., 28.

Housekeeping
Leading a discussion? Here's a guide. Feb., 16.

Housing
Check for hazard-free homes. Winter, 14.
Community fire prevention planning (Fowler). Apr., 8.
Rockford's housing hygiene code (Gunderson). June, 6.
Study reveals the whys and hows of stairway falls (Miller and Esmay). Winter, 23.
Tips for old age housing (Safety clips). Winter, 22.
See also Community planning; Fire protection.

Howard, Julian
Firemen are their buddies. Fall, 22.

Human relations
A suregon asks some questions (Stack). Jan., 8.

Industrial approaches to off the job and home safety
A child safety game. Apr., 12.
Consumer education and protection (Cornelius). Mar., 4.
County health department aids industry...(Safety clips). Fall, 14.
Directly to the housewife (Williams) (ladies safety council of Texas & Pacific Railway). May, 14.
Fibers--fabrics--fire (Christian). Mar., 7.
Flexibility and feedback, programming for a multilocation operation (DeVine). Apr., 26.
Home sweet home (Bailey). Feb., 18.
How they did it in ... (1957 holiday activities). Fall, 1958.
Ideas that worked. Winter, 13.
Industry's stake and contribution (Jones). June, 20.
It's a woman's world (Sassman). Jan., 3.
